Print these flyers and display them anywhere—at home for your neighbors to see, on the bulletin board at your local coffee shop, or in the window of a local business. (Note that in New York City there are laws against posting bills on telephone poles and elsewhere in public, so it's best to just get permission to place them in private spaces.)

**TNYUnion-Picket\_Posters**

Print these posters and bring them to our physical picket line. Time and location T.B.A.
